Dear Parents and Guardians,

Sept. 8, 2023

The mySAEBRS tool, produced by FastBridge Illuminate for grades 2 through 12, is a quick, five-minute social, academic, and emotional behavior risk screener. It is a brief, norm-referenced tool for screening students to identify those who are at risk for social-emotional behavior concerns. This is the same company that is used for the district's math and reading assessments. Having all three assessments on the same platform allows educators to have easy access to the results while meeting state requirements for assessment and screening. All data is securely gathered and specific to each student, with results containing a scaled score. Student-specific results are available to parents.

To learn more about MySaebrs/Saebrs, visit

<https://www.illuminateed.com/solutions/social-emotional-and-behavior-seb/>.

Over 70% of schools in Kansas use Saebrs/MySaebrs to identify needs that may present barriers to learning. Results from this survey are one piece of data to help educators identify and provide instruction and interventions within their classrooms. No personally identifiable data of students will be collected through the administration of the survey.

The surveys take about 5 minutes and are done on the student's individual device. Before the survey is administered, the student will be informed that the student has the right to refuse to take the survey and that the student will not suffer any adverse consequences based on such refusal.

What are the questions students will answer?

Students use "Never, Sometimes, Often, or Almost Always" to identify how frequently they experience described behaviors. Before parents provide consent, we request that they review the questions below:

Social Behavior

- I argue with others.
- I get along with my peers.
- I lose my temper.
- I disrupt class.
- I am respectful.
- Other people like me.
- I have trouble waiting my turn.

Academic Behavior

- I like school
- I am ready for class.
- I get good grades.
- I have trouble working alone.
- It's hard to pay attention in class.
- I participate in class.

Emotional Behavior

- I feel sad.
- I feel nervous.
- I like to try new things.
- I am happy.
- I am worried when bad things happen.

Please Sign & Return if you DO NOT want your child to participate in quick, five-minute social, academic, and emotional behavior risk screener

No, I do not give permission for my child to participate in the *Fastbridge mySAEBRS Survey*.
