Parents/Guardians

Due to an unexpected tragedy which involved one of our staff members and impacted our district, we postponed a staff event originally scheduled for Monday, April 1, 2024. This training event is important to the instruction and ultimately the education of your child.

The end of the school year becomes extremely busy and our available days for staff training are limited. We have planned the training to be rescheduled for **Monday, April 15, 2024**. This will be a **no school** day for students to allow our staff to obtain the training. Again, I appreciate your understanding in the change of the calendar.

In addition, our Junior High and High School Track and Field teams are both traveling to Ness City on **Thursday, May 9, 2024** to participate in Central Prairie League meet so there will be **no school**.

**The K-12 Music Program has been moved to Monday, May 6th @ 7pm.**

No School Monday April 15, 2024 for Rescheduled TASN In-service

No School Thursday May 9, 2024 for CPL JH & HS Track

Appreciation,

*Suzann Bouray*
